Dear Valued Patient:

Welcome to Lily Obstetrics and Gynecology, LLC! We look forward to meeting you soon. In order to provide you with the best possible care, our registration forms should be completed prior to your first visit. Please complete these forms at home or arrive at least 30 minutes prior to your scheduled appointment. Based on your request, your appointment has been scheduled at one of our three locations; St. Simons, Brunswick or Waycross.

Most of your medical concerns can be evaluated and addressed in our office. We have state-of-the-art equipment for the diagnosis and treatment of obstetrical and gynecological conditions, as well as a 4D ultrasound machine with the latest technology.

We welcome your questions. We strongly advise you to keep a "question list" and bring this list to each visit. If you have questions that cannot wait, we request that you call during business hours, unless it is an emergency.

The staff at Lily Obstetrics and Gynecology, LLC respects your time and will always try to maintain an on-time schedule; however, there may be situations where we are called away for an emergency or a delivery. If this should occur, you will be notified as soon as possible so that you can return later in the day or reschedule for another day. Please call our office at 912-638-1801 or visit our website at [www.lilyobgyn.com](http://www.lilyobgyn.com) should you have any questions or concerns. Again welcome to our practice we are excited to get to know you!

Welcome!

**Tina F. Mitchell, MD**
